The Sherry Guess Clinics sponsored by Gallery Farm have moved to 4Him Ranch located north of Maysville. 4Him Ranch is owned by Helen Maltais. The facility features a covered arena. Overnight stalls are available.

Sherry's teaching emphasizes rider biomechanics. Once the rider is aware of how to use their body, communication with the horse becomes easier and the basic principles of dressage can be applied with fewer misunderstandings and less stress to the horse.

Future Clinic Dates: June 20-21
